Selling the house, as is, was a good
exsperance going through these people. Shen Lu was
very good.

Dear Shen-Lu

Thank you so much
for selling my house. If not for you
it would have sold on the courthouse stairs and
I would have been liable for the rest. I
owed \$ [REDACTED] & you negotiated a \$ [REDACTED]
sale with the mortgage company. Now I'm
free & don't owe a dime. I would have had
to file for bankruptcy. I am very grateful,
any future customers of yours can feel
free to call me for a reference. I'm
including my phone numbers. If there are
other people in the same situation I was
in I want to let them know what a
god send you are.

sincerely

We want to take this time to thank you for taking on the task of selling our house, 13207 Vanderwood Drive.

We appreciate your dedicated quest to deal with all of the legalities involved, and attached to trying to finalize the sale.

Thank you also, for keeping us informed through out the entire process. It really means a lot to us. You took the load and stress off of us, and that allowed us to tend to the other important things in our lives without worry.

We are so grateful, and will always remember how well you handled this problem for us.

Sincerely,

Marilyn Dunn
